

Bridging the GAP speaker lounge

Never stop learning!

Imaging USA is almost here! H&H is committed to education, and we are very excited to sponsor so many fantastic speakers and programs once again this year. We have planned special small break-out programming opportunities at our annual [H&H Learning Lounge](#). There will also be ongoing booth speakers in the School and Sports booth, as well as the N-Vu booth. And new this year, Imaging debuts its new educational programming track, called Bridging the GAP. We are so honored to be part of this inaugural special educational event with our sponsorship of the [Bridging the GAP Speaker Lounge](#). There are programs for everyone - so check out our show section below for the details for all speakers and events.

VELOCITY

DESIGN AT THE SPEED OF LIGHT

album & book design software

You may have heard, we have some pretty amazing album and book design software! It's called Velocity and you will want to take a few minutes to check it out-because it will save you HOURS of time and hassle.

Design and upload your orders directly to H&H using Velocity. Best yet, it's free for all H&H customers!

The following products are included in this first release:

- 12x12, 10x10, 8x8, and 5x5 Gallery Lay-flat Albums
- 12x12, 10x10, 8x8, and 5x5 Photographic Pano Books
- All cover types are available

Learn how to use Velocity - everything you need in one place!

Visit our [Velocity Tutorial page](#) to learn step by step how to use our new album and book design software.

Bridging The Gap Speaker Lounge, Hosted by H&H Color Lab & N-Vu

The GAP Speaker Lounge, sponsored by H&H and N-Vu, is a gathering place to hold Q&A's after many of the GAP speakers' programs! Educational programming for the professional photographer continues to be a cornerstone of H&H Color Lab's mission. Come visit more with the speakers, get your questions answered, meet some folks from H&H and get a chance to be entered into a drawing for an amazing giveaway!
