

School PORTRAITS

From PRE-SCHOOL to GRADUATION

School DAYS

Thank you for providing this opportunity to discuss your school's unique needs. Serving your administration, staff, and students is our highest priority. We passionately believe that quality school pictures enhance and contribute to a student's complete academic experience.

The services and products in this brochure will not only meet these needs but also provide priceless memories of the years spent under your guidance. Specifically, these services benefit and enhance:

- The safety and integrity of those within your responsibility
- The respect each student and parent has for your school
- Supporting the best use of school resources
- The self confidence and pride of every individual photographed

As a patron of the schools in your community, we believe that our participation in your school demands only the best and brightest solutions for recording student life and achievement.

Those long-term relationships are something we work hard to achieve. Regardless of the question or issue, we make ourselves available to address whatever needs arise in a responsive and professional fashion.

We appreciate your work and chance to serve together.

During the early moments of the disappearance of a child, providing law enforcement authorities with a recent photo of the child is clearly the most important use of our school day photos. To ensure that this picture is instantly available to all parents, we can provide every student photographed with two Child Safety ID Cards.
