RELIVE THE MOMENT WITH SPORTS PHOTOS

PHOTO GIFTS • BANNERS • PRINT PACKAGES • FUNDRAISING

Thank you

for providing this opportunity to discuss your organization's unique needs. Serving your staff, coaches, and players is our highest priority. We passionately believe that quality sports pictures enhance and contribute to the success of the sports organizations and the player's athletic experience.

The services and products in this book will not only meet these needs but also provide priceless memories of the time spent under your guidance. Specifically, these services benefit and enhance:

- The safety and integrity of those within your responsibility
- The respect each player and parent has for your organization
- Supporting the best practices for fundraising and sponsor appreciation
- The self-confidence and pride of every individual photographed

As a patron of the sports in your community, we believe that our participation in your organization demands only the best and brightest solutions for recording player life and achievement.

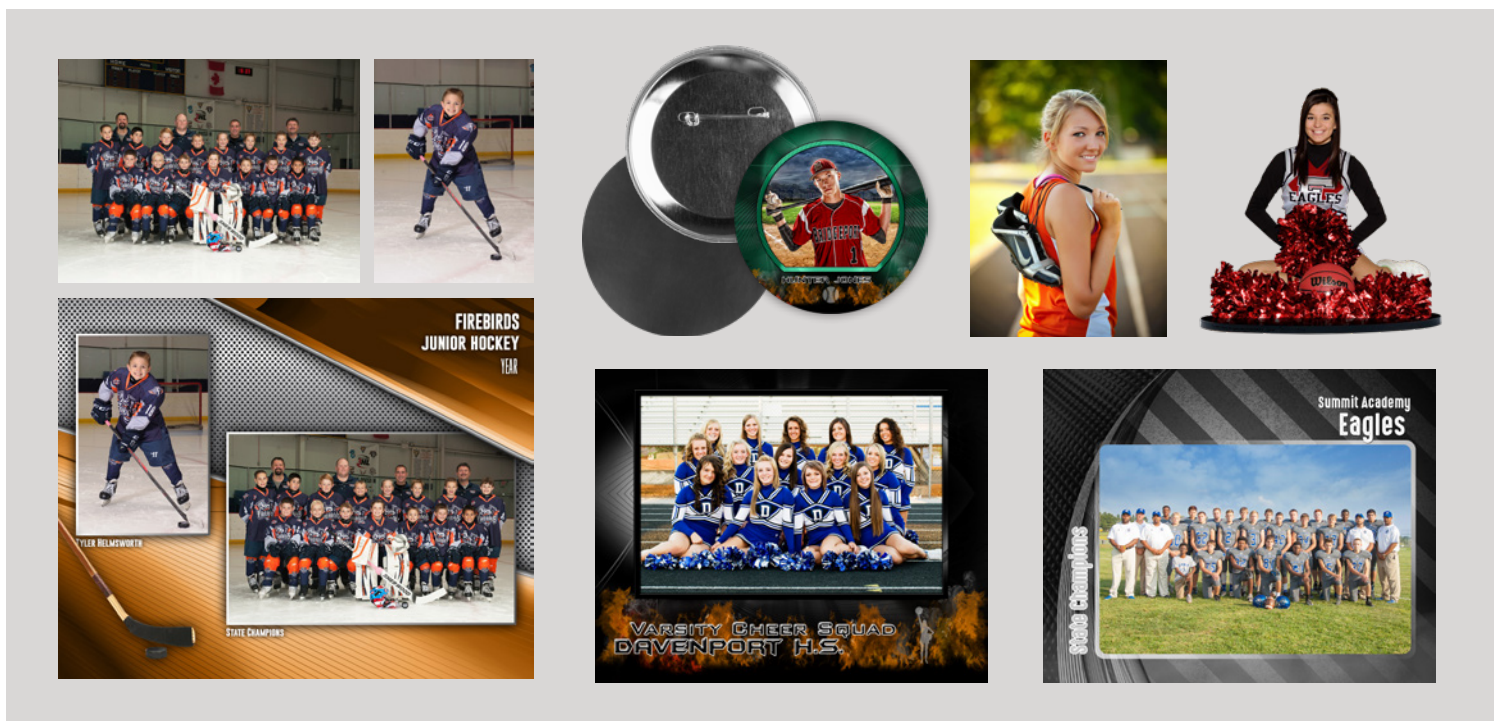

Those long-term relationships are something we work hard to achieve. Regardless of the question or issue, we make ourselves available to address whatever needs arise in a responsive and professional fashion.

We appreciate your work and a chance to serve together.

Traditional Sports

Today, there is no shortage of options for photographic products. This is where we help you shine. We give you the ability to offer your players and their parents exciting new products at a price they can afford.

Knockout Sports

Want to deliver unique photos and designs that make your players look like cool and blow parents away?

Our Knockout Sports program gives you the ability to provide next level images and photo gifts that parents can't get anywhere else.

Fundraising

Our fundraising program provides your organization an opportunity to raise extra money without having to raise package prices for parents. It is a win/win program for both the parents and your organization.

HERE'S JUST ONE EXAMPLE OF HOW IT CAN WORK...

1. We produce a special-edition magnet (or another product) for every player (let's say 400 athletes, for example). And then we provide 400 magnets to you for \$1 per magnet.
2. Your organization sells 350 of these magnets for \$10 each, totaling \$3,500.
3. Once the fundraiser is complete, after paying \$400 for the cost of the magnets, your organization has raised \$3,100.

OPTIONS

The fundraising products in this program have a perceived value of \$7 to \$10 dollars to the public.
